Minat Studi Pembangunan Wilayah
Magister Geografi, Fakultas Geografi
Universitas Gadjah Mada

Double Degree Master's Programme (DDM)

- Double Degree Cooperation between Universitas Gadjah Mada/UGM (Faculty of Geography) and University of Groningen/UG (Faculty of Spatial Sciences).
- Two years double degree programme in “Sustainable Urban and Regional Development.” Year-1 at UGM and Year-2 at UG.
- Master of Science in Geography, track Regional Development (45 SKS, with equals 67.5 EC in ECTS), awarded by Universitas Gadjah Mada. Master of Science in Society, Sustainability and Planning awarded by the University of Groningen

Admission requirements

The DDM candidates must have fulfilled the admission requirements of both institution's master programmes. Specifically, they must:

- hold a Bachelor's degree in Geography, Architecture, Civil Engineering, Spatial Planning, Environmental Science, Economic Development, Regional Development, Social Science and Politics, Public Administration or any other subject related to the DDM programme.
- have an overall weighted average grade of at least 3.25 (Indonesian Grade) for Indonesian students, or at least 6.5 (Dutch grade) for Dutch students, or equivalent for other students.
- have demonstrated their English language proficiency by submitting the result of an English certificate according to the requirements of the Common European Framework (CEF): English C1 or better (e.g. TOEFL 92 IBT, IELTS min. 6.5 with a minimum of 6.0 for each of the 4 categories; Cambridge CAE (B) or CPE (C)). The language proficiency requirement can be waived for students that can demonstrate that they are enrolled in or have completed a Bachelor's programme that is fully taught in English.
